PROJECT EXPERIENCE	20

Enarat Al-Khobar General Contracting Establishment possesses almost 10 years of experience in building trade, electromechanical, general maintenance, fire and safety services. Its portfolio comprises two (2) divisions, Manpower Support Division as well as Projects Division.

Since its conception, it maintained a good service performance record throughout the past several years. Its service solutions are in high demand across the region, benefits from strong growth in key markets; particularly in Civil Construction, MEP, Maintenance of Oil & Gas Facilities, Heating, Ventilation, Air Conditioning (HVAC), Fire Alarm System, Instrumentation and Control as well as Power Generation and Distribution Industries.

Internal processes are continuously improved so that it could provide optimal services to its valued clients, timely and efficiently. It continues to focus on occupational health and safety of its employees. Enarat Al-Khobar General Cont. Est. stringent commitment to the highest levels of safety guidelines is an integral part of day-to-day operations. It has set its high standards at all work sites and divisions. Everyone in the organization shares in this responsibilities

OUR VALUES

We are known for:

- Delivering quality, safety and reliability in meeting our client's needs.
- Valuing honesty and transparency in our people.
- Achieving the highest standards of corporate governance.
- Encouraging and promoting human rights.
- Fostering environmental protection and sustainable development.

We want to deliver:

- Value to projects through cost and planning optimization and effective risk management
- Development opportunities to all members of our teams.
- Technological innovation and cutting-edge technologies.

VALUES

Enarat Al-Khobar Gen. Cont. Est. professional activities are governed by a set of values, which have been approved by its management board.

These revolve around 5 main areas:

- Integrity, professional excellence, protection of health, safety and the environment, as well as social responsibility are the core values of **Enarat Al-Khobar Gen. Cont. Est.**
- Our goal is to achieve the highest level of satisfaction for all our partners and, in particular, for our clients and our employees.
- **Enarat Al-Khobar Gen. Cont. Est.** is committed to supporting and promoting the principles of the Kingdom of Saudi Arabia.
- Built on the know-how and expertise of our teams, we aim to conduct our business in line with the principles of sustainable development.
- Our core values are set out in our charters regarding business ethics, social accountability, environmental protection, safety and health.

MESSAGE FROM CEO

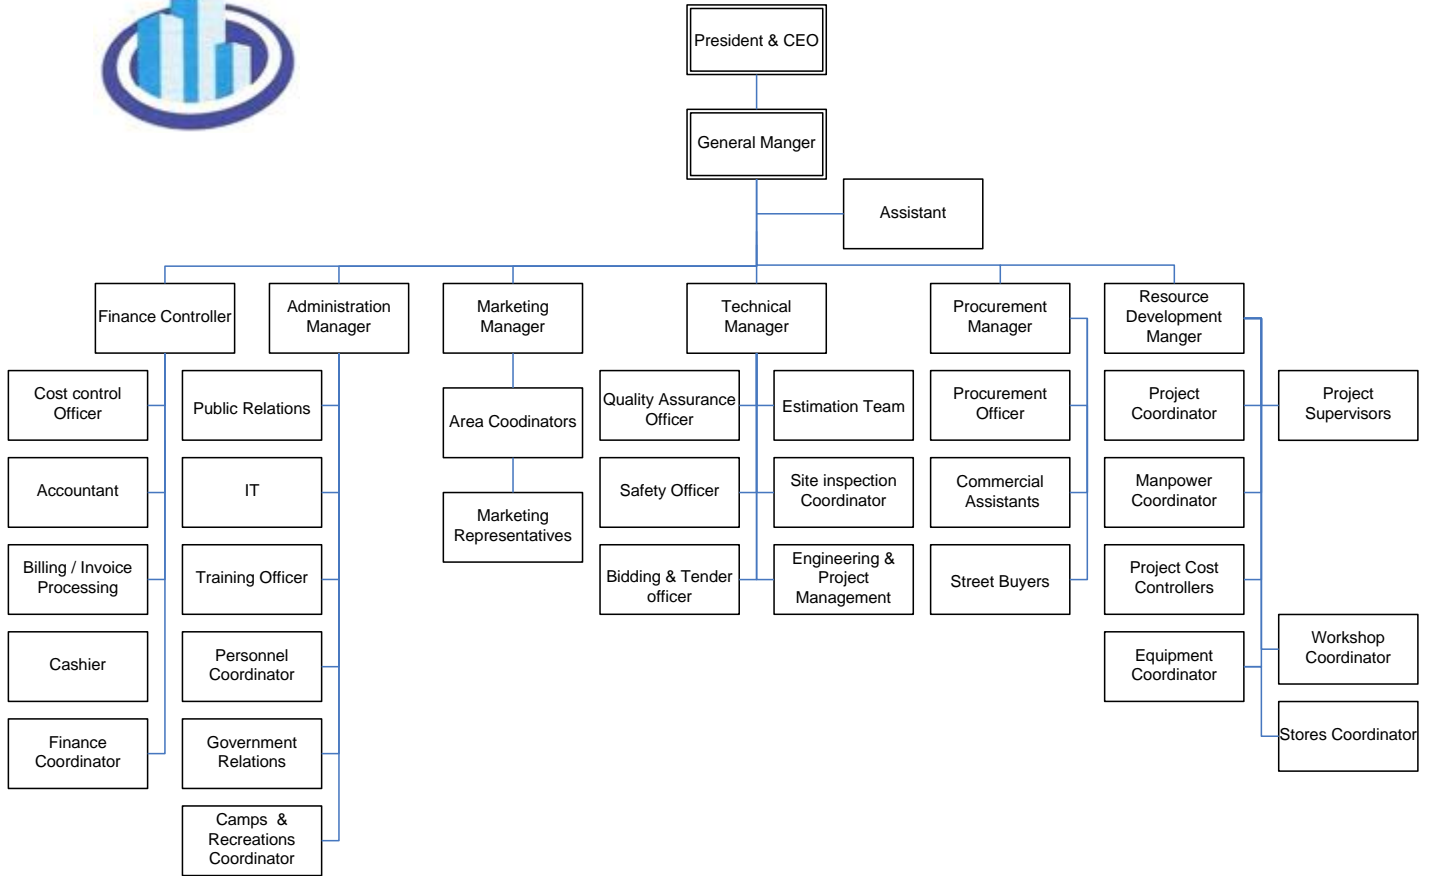

We had a modest initiation more than two years ago with a cherished goal of contributing towards the Kingdom's industrial growth and development, which was in its nascent stage then. We always embraced challenges, constraints and countless obstacles in our stride. Our organizational philosophy was driven by the analogies of best practices, commitment, dedication, sincerity and highest ethical standards.

Our strategies, structure and systems have been focused on creating constant customer satisfaction by delivering our customers with the services, solutions and products that are qualitative and cost effective. In the quest for becoming regional, national and international players of the industrial world, we have been tapping on the talents of our human resources, prevalence of rational decision making and forward planning in the most synchronized manners.

Our achievements, accomplishments and successes of high proportions are attributable firstly to Allah, the Almighty and then to our valuable assets – our people, whose persistent hard work, Unwavering commitment, invaluable contribution, tremendous faith, confidence and trust have all been instrumental for taking our company to its present status. Our focus towards remaining winners all the way in all our endeavors at all times remains total, absolute and comprehensive.

Being the CEO of **Enarat Al-Khobar Gen. Cont. Est.**, it is a matter of tremendous pride, pleasure and privilege for me to reflect and share our achievements of the past, activities of the present and ambitious vision of the future.

ORGANIZATIONAL CHART

MAIN ACTIVITIES

Construction

Our Construction Division's core competencies rest in its ability to handle multi-discipline construction works such as:

- ❖ Civil
- ❖ Mechanical & Piping
- ❖ Fire Alarm, Electrical & instrumentation
- ❖ HVAC
- ❖ Finishing

Manpower Support Division

Enarat Al-Khobar Gen. Cont. Est. has over 10 years of experience in offering multi-discipline manpower support services related to oil, gas, petrochemical, power, desalination process and heavy industrial plants and facilities.

Manpower support services are complementary to our construction activities offering full spectrum of services together with a stand-alone role each having its own specialized skills and requirement.

CAPABILITIES

Manpower

Enarat Al-Khobar Gen. Cont. Est. have a total of 150 highly qualified, experienced, well trained and a multi-national workforce to undertake any challenging task. The class “A” performance of its employees is at its best an asset and always bringing pride to the company. It is our commitment to pursue economic goals within the context of industrial peace and productivity.
